LITHUANIAN GOVERNMENT DEMANDS REGISTRATION OF EXPLOSIVES AND URGES CITIZENS TO TURN IN EXPLOSIVE MATERIALS

VILNIUS, November 28, BNS - The Lithuanian administration, concerned by bombings and other terrorist acts, has decided to verify and register explosive materials in legal possession and encourages private individuals to hand over such materials to the police.

The decision adopted by the administration on Monday evening notes that citizens will not be punished for formerly illegal possession of explosive materials if they are voluntarily handed over to the police.

This year in Lithuania there have been about seventy bombings directed at individuals or firms so far.

The Lithuanian administration has requested the ministry of justice, the ministry of internal affairs and the department of state security to discuss the issue of making penalties for illegal possession of explosives more severe.

A release by the administration's information center notes that the state security department has evidence
